Hello Ayn,

Alice Gilliland is also preparing a briefing on this topic . Any support that you need from Ada/NRMRL should be coordinated through her? It might be helpful for you and Alice to touch base so efforts are not being duplicated. Alice can be contacted directly at 513-569-7852 or via email.

Let me know if I can provide any additional assistance .

Kelly, Jim Martin has asked me to work with Ada staff and Donna Myers on a briefing regarding our results and USGS and comparability/differences. I have begun working on a powerpoint presentation- who is the appropriate point of contact to work with at Ada?
